PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA
CLERK'S OFFICE
REVISED NOTICE OF FILING AND HEARING
DOCKET NO. 2017-228-S

APPLICATION OF PALMETTO UTILITIES, INC. FOR ADJUSTMENT OF RATES AND CHARGES FOR THE PROVISION OF SEWER SERVICE IN THE PALMETTO UTILITIES AND PALMETTO OF RICHLAND COUNTY SERVICE AREAS, CONSOLIDATION OF EXISTING RATE SCHEDULES INTO A SINGLE RATE SCHEDULE, AND MODIFICATIONS TO CERTAIN TERMS AND CONDITIONS OF THE PROVISION OF SERVICE

Palmetto Utilities, Inc. (the Company or Palmetto Utilities) has filed an Application with the Public Service Commission of South Carolina (the Commission) for an adjustment of the Company's rates and charges for the provision of sewer service, consolidation of the rate schedule applicable to customers in the Palmetto of Richland County, LLC (Palmetto of Richland County) portion of its service territory into the rate schedule applicable to customers in the Palmetto Utilities portion of its service territory, and modifications to certain terms and conditions of the provision of its service. The Company is a public utility, as defined by S.C. Code Ann. § 58-5-10(4), providing sewer service to the public for compensation in certain areas of South Carolina pursuant to rates set by the Commission in Docket No. 2013-42-S (Palmetto Utilities) and established by the Commission in Docket No. 2012-273-S (Palmetto of Richland County).

Pursuant to S.C. Code Ann. § 58-5-240, the Company requests that the Commission approve an adjustment in its monthly sewer service rates for all customers and the adoption of certain other non-recurring charges such as a connection fee and plant impact fee for customers in the Palmetto of Richland County portion of its service area. In support of its request for this adjustment, the Company asserts, among other things, that the proposed sewer rate increases are necessary in order that it may provide reasonable and adequate service to its customers, allow the Company to recover its expenses of operation, comply with environmental regulations, and earn a reasonable return on its investment. For example, on page 6 of the Application, the Company states investments in capital improvements expected to total \$83 million dollars have been made by the Applicant. The Company also asserts that the proposed sewer rate increase is necessary to preserve its financial integrity and to permit continued investment in and maintenance of its facilities so as to provide reliable and high quality services. Pursuant to 10 S.C. Code Ann. Reg. 103-512.4.A, the Company also seeks modifications to the rate design to be applied to customers in the Palmetto of Richland County portion of its service territory such that sewer service will be billed at a flat rate, as opposed to a rate based on water consumption, and the reflection of commercial rates based upon single family equivalency ratings. According to the Company, the result of these modifications will be uniform rates and terms and conditions of service for all customers served by the Company's Palmetto Utilities and Palmetto of Richland County wastewater systems. Further, the Company proposes a modification to the rate schedule to make clear that all residential customer rates are billed at the proposed rate regardless of equivalency rating.

THE PROPOSED CHANGES IN MONTHLY RATES AND CHARGES ARE SET FORTH BELOW
(The complete rate schedule is available from the Company at the address below and on the Commission's website at www.psc.sc.gov)

Palmetto Utilities Residential Monthly Charges	Current	Proposed
Residential monthly charge per single-family house, condominium, villa, or apartment unit	\$36.50	\$68.05
Palmetto of Richland County Residential Monthly Charges	Current	Proposed
Residential monthly charge Per single-family house, condominium, villa, or apartment unit	\$10.20 minimum base fee plus \$4.93 per 100 cu. ft. of water consumed	\$68.05
Palmetto Utilities Commercial Customers Monthly Charges	Current	Proposed
Per Single Family Equivalent* Minimum**	\$36.50	\$68.05*
Palmetto of Richland County Commercial Customer Monthly Charges	Current	Proposed
Per Single Family Equivalent* Minimum**	\$10.20 minimum base fee plus \$4.93 per 100 cu. ft. of water consumed	\$68.05*

THE COMPANY STATES IN ITS APPLICATION THAT IT WOULD BE WILLING TO CONSIDER A PHASE-IN OF APPROVED ADDITIONAL ANNUAL REVENUE OVER SOME PERIOD OF TIME TO LIMIT THE IMMEDIATE IMPACT OF THE PROPOSED RATE ADJUSTMENT.

*Charges for commercial establishments served by the Company are based upon single family equivalency (SFE) ratings set using wastewater treatment plant capacity design loading factors established in 6 S.C. Code Regs. 61-67, Appendix A (Supp. 2016).

**All commercial customers will pay based on a minimum SFE rating of one (1). Some commercial customers will have minimum SFE ratings greater than one (1). The commercial customer SFE ratings are set out below:

Type of Establishment	Loading Factor	Hydraulic Loading (GPD)	SFE rating per loading factor
A. Airport:
